SUMMARY

Hi! I'm a tech-savvy and passionate IT graduate from De La Salle University - Dasmariñas. I specialize in web development and digital design, with hands-on experience building full-stack applications, backend systems, and user-friendly interfaces. I'm a fast learner, team player, and love using technology to create functional and visually appealing solutions.

WORK EXPERIENCE

Full Stack Developer Intern   Makati │ Feb – May 2025
WPP Marketing Communications Inc. (J. Walter Thompson Philippines)

- Built a full-stack CRM using MongoDB, Next.js, Passport.js, and Tanstack Query
- Developed backend APIs and automated internal emails using Appscript
- Collaborated on UI/UX, testing, and sidebar enhancements

Digital Creator / Business Owner   Remote │ 2019 – 2023
Self-Employed – Shopee Store

- Created and sold handmade products and digital stickers
- Designed assets using Procreate, Illustrator, Photoshop
- Managed customer service, logistics, and fulfillment
- Maintained a 5-star rating for service and creativity
